DESIGN INSPIRATION

A classic menswear-derived houndstooth weave give this upholstery fabric a timeless and tailored look. The geometry of the pattern is softened with viscose chenille yarns, which are woven in a raised effect against its cotton and linen ground. Ideal for a bridgewater style sofa, a modern sectional or pair of deep club chairs in a library or great room, this small scale design has an earthy and rich color palette that layers beautifully with a variety of plains and patterns, for modern and classic interiors.
